## NE-2C Conclave 2002

Dear Brother,

I remember one of the most frustrating things about joining the Order of the Arrow is trying to get the lingo down. Starting the day you join, they throw words at you like you are some kind of human computer. It's like a whole separate language going on in the scouting world and you have no choice but to start speaking the native language. These inconsiderate Scouters barrage you with words like sakima, nimat and conclave, not including the endless stream of ridiculous initials like, LEC, COC, NOAC. PLC, I mean its enough to make a person go crazy. And then, god forbid, you Wimachdenienk where you were supposed to Elangomat; you could be on the outs forever.

So today I am here to clear up a couple of terms, first Section. A Section is a gathering of lodges in our local area. For example our lodge is in Section NE-2C and our section is comprised of 10 total lodges; the five boroughs of New York City Lodges, Westchester and a smattering of southern Connecticut and upstate New York. These lodges gather once a year to hold a Conclave.

Don't get nervous say it with me "con- clave." All a conclave means is a gathering of these lodges that come together to have fun and learn from each other. This year's conclave is August 23- 25, 2002 at West Point's Camp, Camp Natural Bridge.

This year's conclave has many planned fun and new activities with a patriotic twist since we are on the grounds of West Point. In the morning, we start with training with some new crazy sessions like "How to pick up girls in your Scout Uniform" and "Gettin' Dirty: Better Service Days." The afternoon is all fun. There are more activities planned then you can actually attend. There are many competitions, jeopardy, volleyball, scavenger hunts, patch trading, basketball, ceremony competitions, Native American events etc. Generally the afternoon is about having fun and fellowship with your brothers from many different lodges. Also in special attendance will be the National Vice Chief Riley Berg and the Northeast Region Chief Brian Favat. The weekend will culminate with a big show on Saturday night. Also on Sunday you

are welcome to take advantage of the tours of West Point.

Some of you may have heard of N.O.A.C., National Order of the Arrow Conference, which is a big event fellowship in Indiana. Well the conclave is our miniature version close to home. If you can't make it to the National Conference, this one weekend is the next best thing. It will mimic the big conference in every way except the price. [I know it's a cheap shot] Anyway, please take advantage the Conclave it is a great experience where you can learn a lot and have a lot of fun. Hope to see you there!

Yours in Service

Dear Brothers

The time is here, the spring craziness of Scouting has arrived. The Brotherhood Conversion at TMR, has just passed and we are looking forward to successful tap out, lodge meeting and Ordeal. This is the time of the year, when we should all be busy. The Camp Promotions and Elections Committee's are up and running strong. Join them, or another committee and take a role on the Lodge.

To the nominee's for Lodge Office; It is a weighty responsibility which you take upon your shoulders. First of all, thank you for being old and brave enough to put your name up for office. Thank you for wanting to serve the Lodge in a more direct role. Believe me when I tell you that being a lodge officer is anything but easy. It is hard work and time consuming, but it can also be very

rewarding. The time is yours; service and duty are calling you now; heed the call of duty and serve the lodge and mankind.

As I look nostalgically back over the four years as an officer of the Lodge; I have made a decision to not seek another term in office. I will be attending college in the fall, and don't know what to expect as far as a workload goes. Plus, I feel it is time for new blood. I have been in office for four years, and the time has come for new faces to be seen at the table. I will not be going away, I have already expressed interest in a committee for next year. But, like when Assemblywoman Betty Connelly retired; she said you know when," it's time."

I have one or two more Chief's drum left after this one. I want to thank all those who have served our Lodge. I thank you all for your work, and hope to continue to work with you through the years ahead.

All my best in the busy upcoming months, I remain

Yours in Brotherhood,  
*Michael A. Armato*

# Advisor's Alley

I would like to acknowledge the committees who are in full swing making the present calendar events happen. We have returned from the Brotherhood weekend with newly dedicated Arrowman, who provided service to our own Camp Aquehonga. The Ordeal weekend is coming up fast and the NOAC plans are falling into place for July. Let's take this momentum with a steady pace, focus our efforts to do our best, and make the spirit

of the Lodge soar.

The last two service days in March and April have seen increased attendance. The Lodge meeting on June 2, 2002 at 1 pm in Berlin Lodge will have the 2002 - 2003 officer elections. After the meeting, OA Island will be rededicated with a memorial plaque to Richard Kevorkian, a late member of the Lodge.

Add the Conclave at Camp Natural Bridge, West Point to your calendars. Let's get ready to welcome our new Ordeal members in June, and keep up the strong work.

# Brotherhood 2002

Again Ten Mile River was the stage

for Aquehongan Lodge 112 Brotherhood 2002 weekend. This is the third year that we were able to give to TMR the service it so deserves. The service was given to Camp Aquehonga by helping to level the amphitheater in preparation for the new Shawn Bowman Jr. Memorial theater. A split rail fence was put up at the rifle range and we rearranged the staff site area, just a bit.

Indian cliffs at Camp Kuntah was the perfect back-

Eric Colvil, Jonathan Dalton, Mathew and

Ray DeSaro, Lorraine Gizzarelli, David Greis, Marcus Guash, Sean Haggerty, Jeffrey Kaplan, Jason Kurzweil, Adam Loftman, William Mantly, Paul Schoppmann, Michael Slisz, Brian Thomasen, and Brian Thomson.

**Ordeal members** - be there next year for Brotherhood 2003 at Ten Mile River Scout Camp.

drop for the Brotherhood ceremony. We requested hawks were rented for the occasion and did they ever provide a swooping show. The weather held out, until the service, ceremony and evening program was complete. What timing!

The Brotherhood Committee would like to thank all the supporting committees and individuals who made this weekend a success.

*Congratulations to the Brothers of 2002.*
